8. SELECTION CRITERIA

ADMINISTRATIVE AND ELIGIBILITY CRITERIA

1. The grant application has been submitted by the deadline for the submission set by the Call.
2. The grant application has been submitted using the correct application form.
3. All the relevant fields in the application form have been completed.
4. The grant application has been drawn up in English.
5. The applicant institution is eligible to receive funding.
6. All project partners are eligible to participate in the project.
7. At least one project partner is from a donor state.
8. The applicant institution has submitted only one application for the project (in case of a higher education institution (HEI), submission of max. one application per faculty is allowed).
9. The requested grant amount complies with the limits provided in the Call.
10. The application form has been signed, using a qualified certificate for electronic signature, by the legal representative of the applicant institution or a person duly authorised by the legal representative.
11. All relevant documents have been annexed.

Non-compliance with the above criteria could lead to a rejection of the project application.

AWARD CRITERIA

1. Relevance of the project (maximum 40 points, threshold 75% of the points)
2. Quality of the project design and implementation (maximum 20 points)
3. Quality of the project team and of cooperation arrangements (maximum 20 points)
4. Impact and dissemination (maximum 20 points)

To be considered for funding, proposals must score at least 60 points.

National priorities / priority points (maximum 10 points) for:

- projects supporting democracy and citizenship education
- projects supporting inclusive education (including Roma inclusion)

9. SELECTION PROCESS AND DECISION-MAKING

The assessment of an application consists of eligibility and quality checks. The aim of the formal eligibility check is to verify whether all the grant applications comply with the published eligibility criteria. The result of this evaluation step will be a list of grant applications that will further be subject to quality assessment and a list of grant applications rejected on formal grounds.

At least two external experts will carry out the quality assessment according to the award criteria specified in the Call. The ranking will be done based on the average of the scores awarded by the experts.

The Selection Committee will establish a list of projects proposed for the grant award, rejection and the reserve list. The grant award decision will be taken by the legal representative of DZS. All the applicants will be informed about the final outcome of the selection process in writing, no later than six months after the final date for the submission of applications.

10. HOW TO APPLY

Applicants are required to submit their applications online (via <https://eea-app.dzs.cz/eea/>), using the correct electronic form and including all the requested annexes:

- Letter(s) of intent to conclude a partnership agreement(s) (a letter of intent may be replaced by a valid bilateral agreement);
- Work Programme;

- In case the application is not signed by the legal representative, an official confirmation that the person is duly authorised by the legal representative to sign the application has to be attached;
- For grants exceeding 60 000 EUR, applicants (non-public institutions) need to upload the applicant's profit and loss account and the balance sheet for the last financial year for which the accounts were closed to give proof of their financial capacity;
- In case any external consultant (natural or legal person outside the project promoter/project partner(s)) was involved in the preparation of the project application, the name of this person/company must be attached to the application form.

Applicants must fill in the form in English. An electronic signature of the legal representative or a person duly authorised by the legal representative is needed to complete the application.

11. PROVISION ON PAYMENT

Payments towards the projects will be in the form of advance instalments, of up to 80% of the total awarded grant amount, and balance payments to be paid after the approval of the final project report. The final payment is intended to reimburse or cover, after the end of the project period, the remaining part of eligible costs incurred by the beneficiaries for its implementation.

DZS will adapt the timetable for advance instalments to individual cases, if precautionary measures are needed to prevent the loss of the EEA funds (e.g. weak financial capacity of the Project Promoter).

12. PREVENTING DOUBLE FUNDING

Under no circumstances, may the same costs be financed twice by the EEA Grants and other sources. In effect, this means that the costs for the same activity must not be covered by two different funding sources, with the exception of such cases where complementarity can clearly be proven. These special cases shall be described in the grant agreement.

8. SELECTION CRITERIA

ADMINISTRATIVE AND ELIGIBILITY CRITERIA

1. The grant application has been submitted by the deadline for the submission set by the Call.
2. The grant application has been submitted using the correct application form.
3. All the relevant fields in the application form have been completed.
4. The grant application has been drawn up in English.
5. The applicant institution is eligible to receive funding.
6. All project partners are eligible to participate in the project.
7. At least one project partner is from a donor state.
8. The applicant institution has submitted only one application for the project (in case of a higher education institution (HEI), submission of max. one application per faculty is allowed).
9. The requested grant amount complies with the limits provided in the Call.
10. The application form has been signed, using a qualified certificate for electronic signature, by the legal representative of the applicant institution or a person duly authorised by the legal representative.
11. All relevant documents have been annexed.

Non-compliance with the above criteria could lead to a rejection of the project application.

AWARD CRITERIA

1. Relevance of the project (maximum 40 points, threshold 75% of the points)
2. Quality of the project design and implementation (maximum 20 points)
3. Quality of the project team and of cooperation arrangements (maximum 20 points)
4. Impact and dissemination (maximum 20 points)

To be considered for funding, proposals must score at least 60 points.

National priorities/ priority points (maximum 15 points) for:

- The extent to which the project supports Roma inclusion

9. SELECTION PROCESS AND DECISION-MAKING

The assessment of an application consists of eligibility and quality checks. The aim of the formal eligibility check is to verify whether all the grant applications comply with the published eligibility criteria. The result of this evaluation step will be a list of grant applications that will further be subject to quality assessment and a list of grant applications rejected on formal grounds.

At least two external experts will carry out the quality assessment according to the award criteria specified in the Call. The ranking will be done based on the average of the scores awarded by the experts.

The Selection Committee will establish a list of projects proposed for the grant award, rejection and the reserve list. The grant award decision will be taken by the legal representative of DZS. All the applicants will be informed about the final outcome of the selection process in writing, no later than six months after the final date for the submission of applications.

10. HOW TO APPLY

Applicants are required to submit their applications online (via <https://eea-app.dzs.cz/eea/>) using the correct electronic form and including all the requested annexes:

- Letter(s) of intent to conclude a partnership agreement(s);
- Work Programme;
- In case the application is not signed by the legal representative, an official confirmation that the person is duly authorised by the legal representative to sign the application has to be attached;

- For grants exceeding 60 000 EUR, applicants (non-public institutions) need to upload the applicant's profit and loss account and the balance sheet for the last financial year for which the accounts were closed to give proof of their financial capacity;
- In case any external consultant (natural or legal person outside the project promoter/project partner(s)) was involved in the preparation of the project application, the name of this person/company must be attached to the application form.

Applicants must fill in the form in English. An electronic signature of the legal representative or a person duly authorised by the legal representative is needed to complete the application.

11. PROVISION ON PAYMENT

Payments towards the projects will be in the form of advance instalments, of up to 80% of the total awarded grant amount, and balance payments to be paid after the approval of the final project report. The final payment is intended to reimburse or cover, after the end of the project period, the remaining part of eligible costs incurred by the beneficiaries for its implementation.

DZS will adapt the timetable for advance instalments to individual cases, if precautionary measures are needed to prevent the loss of the EEA funds (e.g. weak financial capacity of the Project Promoter).

12. PREVENTING DOUBLE FUNDING

Under no circumstances, may the same costs be financed twice by the EEA Grants and other sources. In effect, this means that the costs for the same activity must not be covered by two different funding sources, with the exception of such cases where complementarity can clearly be proven. These special cases shall be described in the grant agreement.
